**Project No.:** 18811  
**Date:** July 02, 2019

**Project:** Parkview Seniors Expansion, 165 King Ave, East, Newcastle

The following information supplements and/or supersedes the bid documents issued on June 05, 2019

This Addendum forms part of the contract documents and is to be read, interpreted, and coordinated with all other parts. The cost of all contained herein is to be included in the contract sum. The following revisions supersede the information contained in the original drawings and specifications issued for the above-named project to the extent referenced and shall become part thereof.

## QUESTIONS

1.1 Question: Referring to Drawing L1.0, the raised planter with integrated work surface and seating. We do not see a detail on this type of planter, only for the raised accessible garden beds. Please provide a detail on this type of planter with counter.

**Answer:** ***Raised planter with integrated work surface and seating- To be constructed of CIP concrete walls with a smooth rub finish. 4x4 cedar board work surface to be mounted to 2x sides of planter using steel brackets and suitable concrete anchors. Planter to be filled with min. 450 mm growing medium (triple mix) and 100mm mulch (four season). Planting as per landscape plans. Contractor to provide 7 chairs to match other seating and bistro tables, see item #2 below. See attached detail for additional information.***

1.2 Question: The type of table and chairs specified from IKEA is currently unavailable, we are proposing an alternative that closely matches the Tunholmen series. We are proposing the IKEA Lacko Bistro table and chairs.

**Answer:** ***Bistro Tables and Chairs- Contractor to substitute Sjalland Series; Bistro Table (71x71x73 cm) in light brown and grey and Armchair in light brown and grey, for unavailable Tunholmen series. Contractor to provide a total of 4 tables with 3x chairs each (12 chairs total) as well as an additional 7 chairs (noted in Item #1) for the raised planter with integrated work surface.***
